

# Product Overview

## LEDBAR-C-XX-YY LED Bar C Spec Sheet

Custom built and tailor made to your specs. Our **LEDBAR C** is a slim and compact low-voltage linear LED fixture suitable for a wide variety of recessed linear lighting applications. Its slim and compact low-profile design makes it an excellent solution for under cabinet lighting, cove lighting, and any toe-kick lighting solutions.

It is conveniently available in a wide range of color options, and can be built to any custom size up to 94" as one continuous run. Longer runs can be achieved through linkable or custom configurations.
