Side View

Our **LVLBR4** is a 4" round, pendant (suspended) mounted linear LED fixture. It's beautiful, linear and round design has made it a popular lighting solution for a wide variety of residential, retail, commercial, office, and industrial lighting applications.

This linear LED fixture is available in **4ft**, **6ft**, and **8ft** sizes as one single piece. Choose from (2) light output levels: **SO** High Output (847 lumens/ft), or **HO** Ultra High-Output (1,540 lumens/ft).

Conveniently select from (3) standard color temperatures best suited to your space: **3000K** (Warm White), **4000K** (Natural White), **5000K** (Bright White).

Integral driver technology allows these fixtures to accept **universal 120-277VAC** input voltage, and are **fully dimmable to 1%** via 0-10V dimming wires. Select a suspension mounting kit suitable to your installation type on the following page.
