

PRODUCT OVERVIEW

Aluminum Profile "Y2" is a 2" wide recessed (flushmounted) housing for LED strips. It creates a 2 inch wide aperture of evenly diffused, dot-free LED lighting. It features a recessed flange that covers imperfections in drywall cuts. Aluminum Profile "Y2" can accommodate any LED strip (single or double row) up to 1.55" (39.4mm) wide. Aluminum Profile "Y2" will maximize the lifetime of your high-output LED strips by dissipating excess heat. Aluminum Profile "Y2" is conveniently sold in 8ft lengths as a completed kit including one pair of end-caps, (3) sets of spring-activated drywall-retaining clips, and a durable premium PC frosted lens (diffuser).
