

LED Cabinet Bar Spec Sheet

LBII4-YY-ZZ
Cabinet Linear Lighting

Our Linear LED Cabinet Light Bar is specifically designed to achieve perfectly diffused compact surface mounted lighting, making it ideal for all your cabinet, task, and decorative lighting needs. Available in sizes from 10-72", this versatile LED Cabinet Light Bar is compatible with any under-cabinet, over-cabinet, and inside cabinet installation and allows for a simple surface mounted installation. For most customization of the desired illumination surface, our light bar is available in three different color temperatures: Warm White 3000K, Natural White 4500K, and Bright White 6500K. The advanced optics in our LED Cabinet Bar beautifully illuminate your work space evenly—with NO "leakage" of light onto the floor. Install our LED cabinet lighting in minutes using our smart connector system and achieve clean, attractive installations with the clip-less mounting design.
